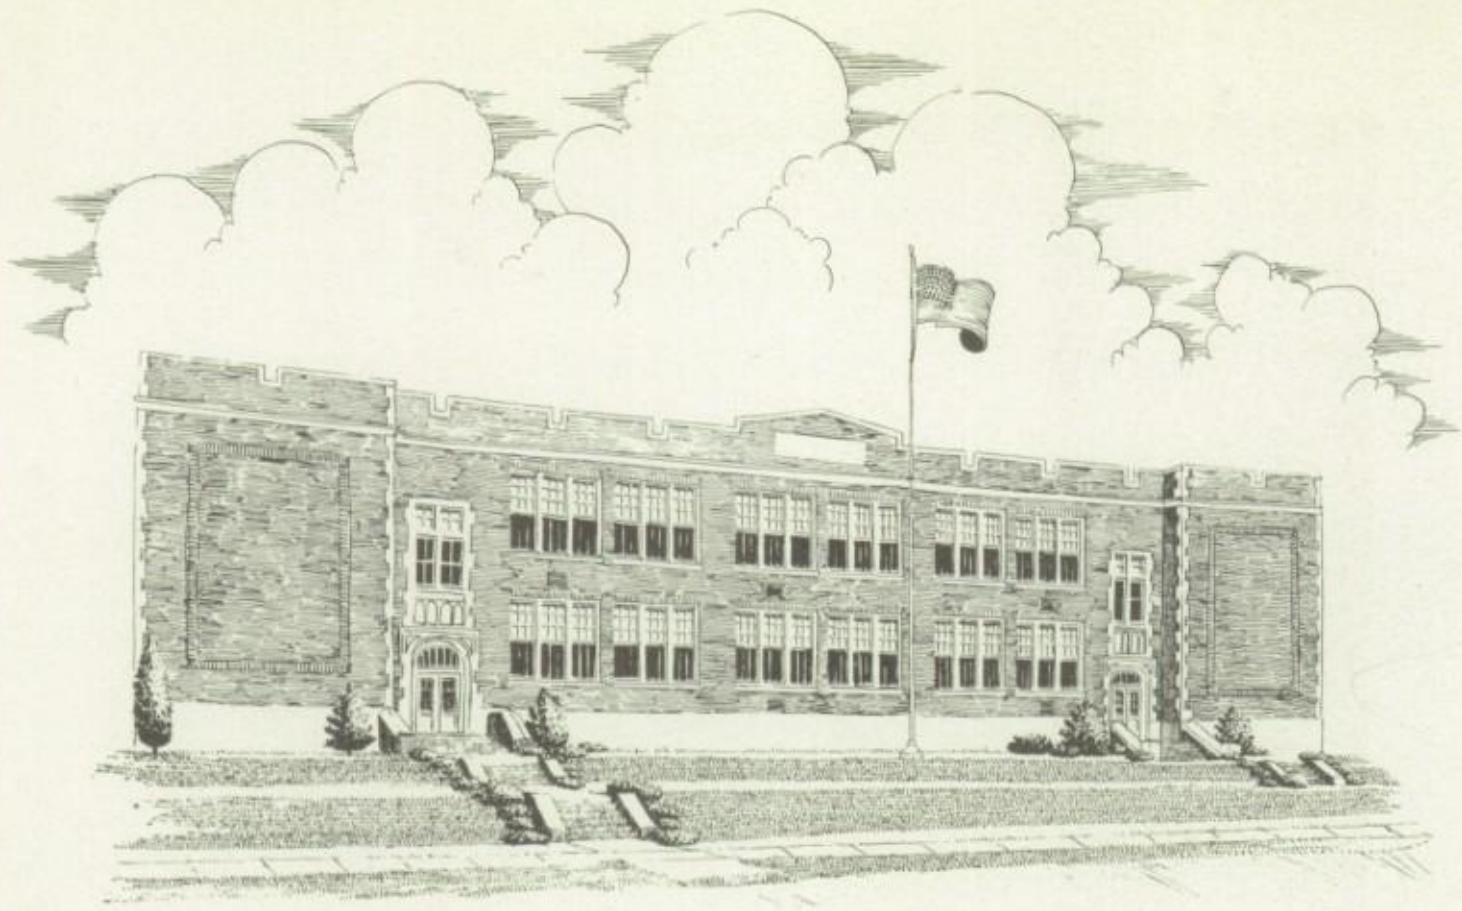
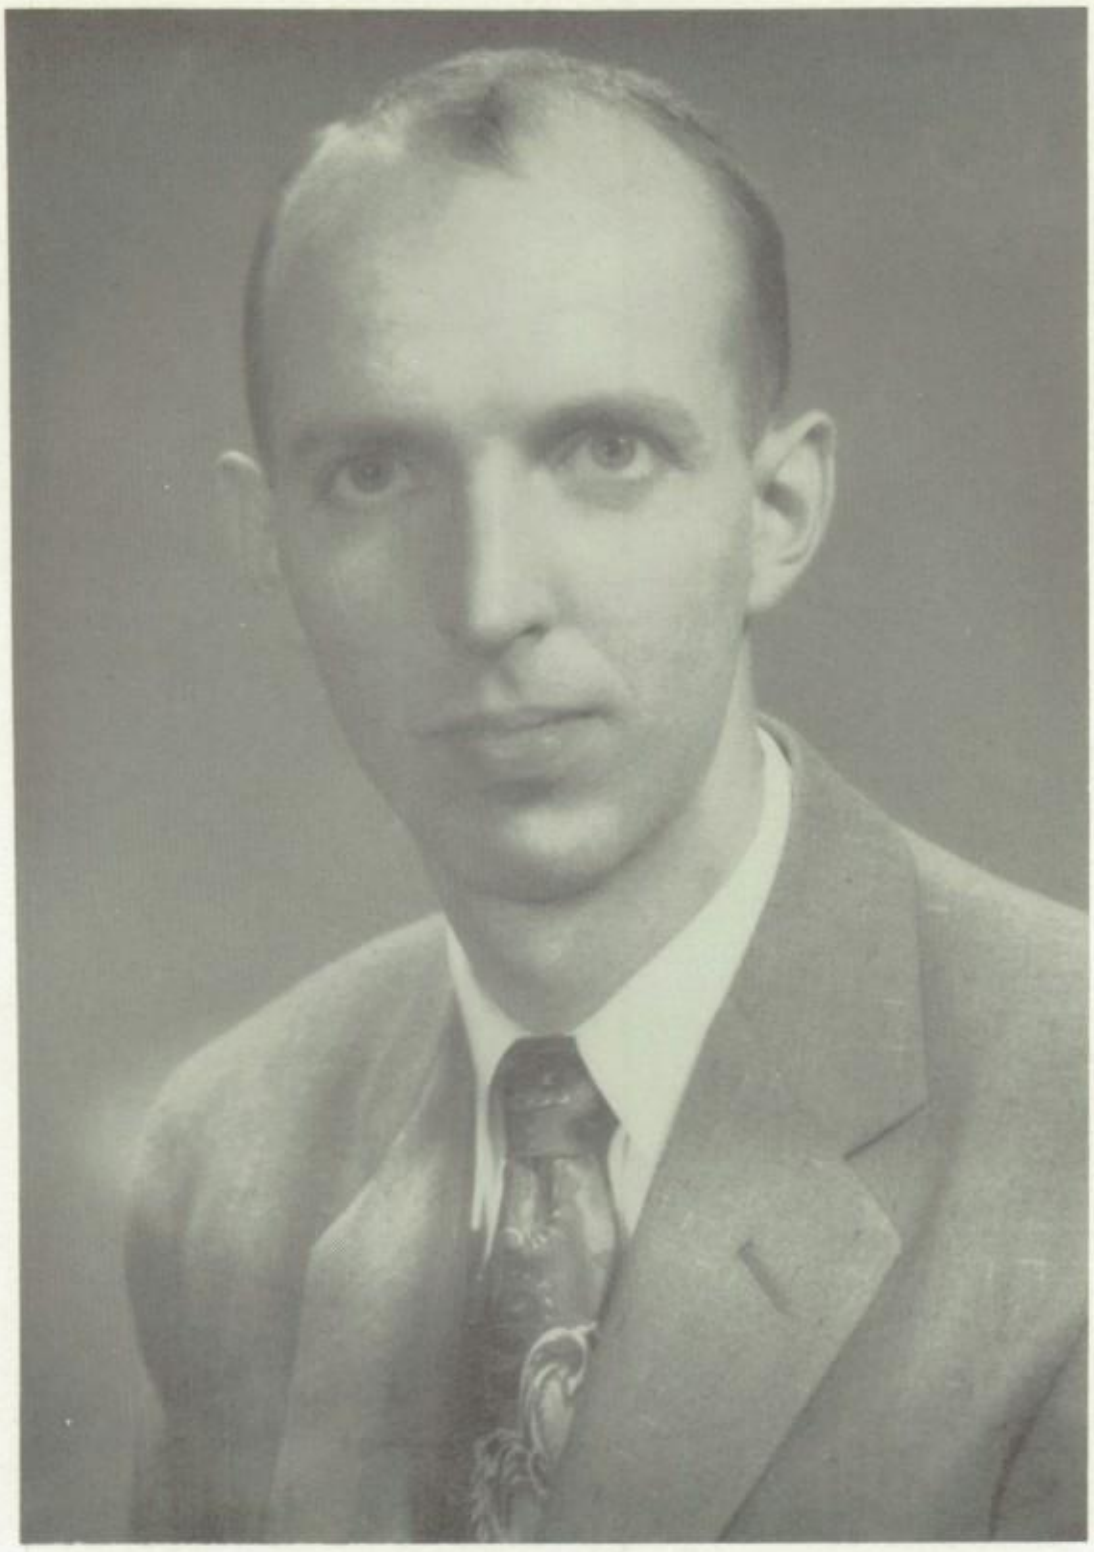
FOREWORD

Your days in high school will undoubtedly prove to be some of the happiest of your life. In this volume of the Unitas, we have tried to capture and record some of the charm of these days, for the purpose of bringing back to you some of the cherished memories of your school- days.



Erected in 1928, this school has brought to many students education, pleasures of high school life, and has sent many young men and women into the world, ably equipped to lead successful lives. Now, due to increase in population, this school, as it stands, has become inadequate to accommodate the needs of the students. We, the Class of 1955, will be the last class to graduate from the unexpanded halls of Union. We hereby leave this book in memory of the Union High we knew and loved.



DEDICATION

In appreciation of his loyal services as a leader, teacher and friend through our high school years at Union and in grateful acknowledgment of his help and guidance as our class advisor for three years, we, the class of 1955, dedicate this edition of the Unitas to Thomas V. Come.

OUR SINCERE THANKS

Although we, the Unitas Staff of 1955, have spent much time and effort preparing this book for publication, we know it would have been impossible without the aid and co-operation of many other persons.

Our sincere thanks to:

Mr. A. L. Shumaker
Mr. Frank Foye
Inter-Collegiate Press
Advertisers
Patrons
Mrs. Rhea Frantz

We would especially like to show our sincere thanks and appreciation to Mr. Marshall Hixson, our faculty advisor, who assisted and supervised the Unitas Staff. Due to his tireless efforts and excellent guidance, we feel that much of the success of this yearbook should be attributed to him.

Faculty

To the class of 1955:

It is with extreme pleasure that I offer my sincere congratulations and best wishes to the graduating class of 1955.

As you are venturing along the highway of life, please remember there isn't any map which shows the road to success. You have to make it yourself.

Hugh A. Kelly

Supervising Principal

To the class of 1955:

It is indeed a pleasure to have this opportunity to congratulate you upon your achievements while students at RiceAvenue Union High School. Yours has been a good class--one which we have enjoyed greatly and one which will be sorely missed.

Now you are about to take your places in the adult world as the alumni of Union High School. It is our fondest hope that you will always consider this as "your school" and that the lessons you have learned her will serve you well in the years ahead.

Your lives are before you--live in such a way that you bring credit to yourselves, your parents, your school, and your country. Best wishes to each of you and may success and good fortune be yours.

SENIOR CLASS PLAY

"OUR MISS BROOKS"

On November 18th and 19th, 1954 the Senior Class presented its play, "Our Miss Brooks", a three act comedy. The hardwork, ingenity, and patience displayed by our directors, Mr. Come and Mr. Morris, resulted in a play we think was one of the finest.

The setting of the play was in the classroom of Miss Brooks in Girard, Penna., in the Spring time. The plot centered around the troubles Miss Brooks had trying to land a husband, direct a play, and keep peace with the school board and principal at the same time.

No matter what ridiculous problems Miss Brooks was faced with she always managed to solve them.

In our future years we believe that remembering our senior class play will give us much pleasure. We then, as well as now, will always remember the good times and many little difficulties we encountered producing this play, it was one of the most important events of our senior year.

THE VARSITY this year, with nine Seniors on the team, did not produce a winning record but far more important they displayed outstanding sportsmanship and fine "fighting hearts" which Union is famous for producing. Our record for this year was three wins and five losses. At the start of the season we played Lawrence Park and came out with a 7-0 victory which was thrilling up to the last seconds. Then came two league defeats from Wesleyville and North East; we were leading both teams at the half-time but then both opposing teams came back with their winning touchdowns. It has been said that our team put up the toughest battles against these two teams that ended up with good records.

Then came Millcreek at their Homecoming. We were determined to reverse last year's score when they beat us at our Homecoming. We went out in front in the first quarter 6-0 and we played winning ball in the second quarter. They got a touchdown and extra point in the third period but we were out-gaining them in yardage. Time ran out when we were but ten yards from their goaline in the fourth period. We had outplayed them but the score hadn't shown it.

The Franklin game was a game of bad breaks for us. Although they were highly rated we drove down to their two yard line and then we fumbled and they recovered. We had a few more drives and our team was clicking but again we were on the short end of the score, losing 13-0.

Our Homecoming Game was with Harborcreek; it was also Mom's Night. Although we lost 13-7 we showed we could come from behind and fight all the way. We played our old and bitter rival Albion, and in the best Union tradition we defeated them 27 to 14. With the seniors leading the way, Union crushed Mercer by the score of 26 to 0.

In the win and loss record department our team was not exceptional but they never let down when the going got rough. There was terrific line play by all-county tackle, Bruce Getz, Captain Carl Meeder, Bob Russin, and center Bill Youschak. At the ends, we had performers in Frank Hlifka and our punter George Fish. Our backfield was light but fast; we had very good runners in Dick Harbaugh, Larry Baker, Bob Einfeldt, and Bill Pestalek. The passing and play-calling department was headed by Ted Woitovich and Larry Baker.

It is not whether you won the game, the value is how you played in it and what kind of sportsmanship you displayed. We think the student body will agree that his year's team ranks high in both.

FOOTBALL TEAM

FIRST ROW: T. Leroux, A. Amidon, G. Fish, J. McClelland, B. Russin, T. Woitovich, C. Meeder, F. Hlifka, B. Getz, R. Katzeman, B. Einfeldt, J. Carlson, B. Martin. SECOND ROW: Mr. Morris, G. Gilbert, D. Steadmen, D. Hammond, B. Angerer, J. Bowen, L. Baker, B. Bowen, B. Youschak, B. Pustalek, P. MacDonald, J. Holliday, B. Powell, R. Stevens, Mr. Murray. THIRD ROW: J. Morgan, R. Keith, J. Dickey, P. Dunn, R. Warner, R. McKay, D. Harbaugh, J. Hrinda, G. Gido, R. Murray, B. Holliday, D. Sisson. FOURTH ROW: R. Godfrey, D. Flowers, A. McCall, D. Kibler, T. Morton, A. Waller, P. Chvany, D. Meeker, B. Harbaugh, L. Ritchie, B. Kibler, J. Cornell.

The first day of practice was a tough day for our boys, but the fellows were ready to go in time for the first game with Lawrence Park which they won 7-0. Then their next string of five games were total heartbreaks of sorrowing upsets. After these five rugged games, the fellows thought they ought to win their last two games. So they poured on the steam and under the great advice of Coach Murray and Coach Morris, with Captain Carl Meeder assisting, they rolled over Albion by the score of 27 to 14, also Mercer by the score of 32 to 0.

Football at Union has been a great tradition. Union has had many fine teams of the gridiron but greater is the "fighting spirit" which has been handed down through the years of Union's existence. It seems as though whether Union High has a winning record or not, the boys still put up the good old high school try. We believe that this year's team has done just that.

JUNIOR VARSITY

FIRST ROW: J. Carlson, J. Morgan, T. Morton, R. Godfrey, P. Chvany, J. Cornell, L. Ritchie, B. Martin. SECOND ROW: Mr. Morris, G. Gilbert, D. Kibler, D. Steadman, B. Angerer, D. Flowers, D. Sisson, Mr. Murray. THIRD ROW: A. McCall, B. Holliday, D. Hammond, D. Meeker, A. Waller, R. Stevens, J. Holliday. FOURTH ROW: R. Keith, B. Harbaugh, B. Kibler, B. Powell, P. McDonald.

This year our Junior Varsity team, under the direction of Coach Morris, had a mild season. The fellows fought hard and tried to do their best, but two games were lost, one game won, and one game tied.

The Junior Varsity is the main backbone under the varsity team. Here is where they are taught the rules of fair play and good sportsmanship. It is when the varsity fellows graduate from Union that they really depend on the Junior Varsity to fill all the varsity positions.

SENIORS

The boys pictured to the right played their last season of football here at Union. Out of this group there were six linemen and three backfield men, each doing his best while he was in there playing. This year's Seniors were a fine bunch of sportsmen and displayed their sportsmanship as such.

COACHING STAFF

Mr. Morris, Mr. Come, and Mr. Murray-Coaches

Our coaching staff this year consists of four able men; Mr. Murray, head football and basketball coach, Mr. Morris, Assistant football and junior high basketball coach, Mr. Lepich, J.V. basketball coach (absent when picture was taken) and Mr. Come, who will be our baseball coach and is our faculty manager.

Under Coach Murray's guidance we won the 1954 "B" Class Crown and although our record in this year's football wasn't successful as far as records go, Coach "Red" taught us good, hard, clean and sportsmanlike football.

Our basketball season to date, under his guidance, has proven to be successful.

Mr. Morris and Mr. Lepich combined their ability in coaching the J.V. football and J.V. basketball teams respectively. Under Mr. Morris the J.V. football team had a successful season. To date the J.V. basketball team has been winning regularly.

Mr. Come is a new-comer to the coaching staff but not to coaching. Under his guidance as Faculty Manager, he has improved our sporting department greatly. We know he will bring us a good team on the diamond. Besides baseball, track will also be offered for the first time. Mr. Murray will be in charge of this year's crew. We are beginners in this sport but we know we will field a good team.

MANAGERS

FIRST ROW: T. Leroux, J. Carlson, B. Frost, A. Amidon. SECOND ROW: B. Stubbe, C. Jeffords, B. Martin.

This year's group of managers is the largest one in Union history. With our increased sports department it has been necessary to raise the number of managers. All the managers have and are doing a fine job and under the fine leadership of Head Football Manager Tom Leroux and Head Basketball Manager Allen Amidon, our boys deserve an extra hand. We of the sports staff salute you!

Too many times the manager or "water bucket boy" is the forgotten man on the team. We have found that no team can be without a manager. They often are here at the high school hours before and after the players have practiced and have gone home. We again salute you.

VARSITY BASKETBALL

FIRST ROW: R. Einfeldt, G. Fish, Captain J. Branch, C. Meeder, T. Woitovich. SECOND ROW: Manager A. Amidon, L. Baker, K. Johnson, J. McClelland, J. Waller, R. Murray, C. Klein, L. Stubbe, Coach R. Murray.

The Varsity this year has continued its self pace that it ended with last season. Having eight returning letter winners from last year, the varsity won its first three games before dropping its first and only game to date to Conneaut, Ohio. The team then returned to the winning column by defeating all its opponents up to Christmas Vacation. They then made Union history by winning the first Class "B" County Holliday Tournament held at Albion. All the Class "B" teams in the county competed. From there the team went on, winning the first half County Class "B" Championship. Our team has been averaging about 65 pts. per game but the boys realize that winning the game is the most important thing because that is what counts. There are nine Seniors on the team who have brought back their experience from last year. An unusual fact about our team is that all of our first starting five have been high scorers in our games so far. This has helped us greatly because our opponents may stop a few of us, but not all. The boys know that the greatest test will come in the race for the second half crown; they will be trying their utmost to eliminate a playoff at the end of the season. Lots of luck, fellows.

JUNIOR VARSITY

FIRST ROW: J. Bowen, D. Woitovich, Captain B. Bowen, J. Johnson, D. Andrews, B. Martin. SECOND ROW: L. Daugherty, B. Holliday, M. Astor, K. Lesko, D. Goodwin. G. Brown (Absent when picture was taken.) Coach Lepich was also absent.

The Junior Varsity, under Coach Lepich, has come through with seven wins and five losses--record to date. Led by their Captain Bobby Bowen the boys have been playing good, steady, basketball. Coach Lepich has been using almost all the boys in their games; this will benefit each player and will bring about better future varsity teams. The Junior Varsity's are not too tall, but what they lack in height they make up for in speed in their fast breaks. We wish the junior varsity players a lot of luck and a successful season!!!!!!!

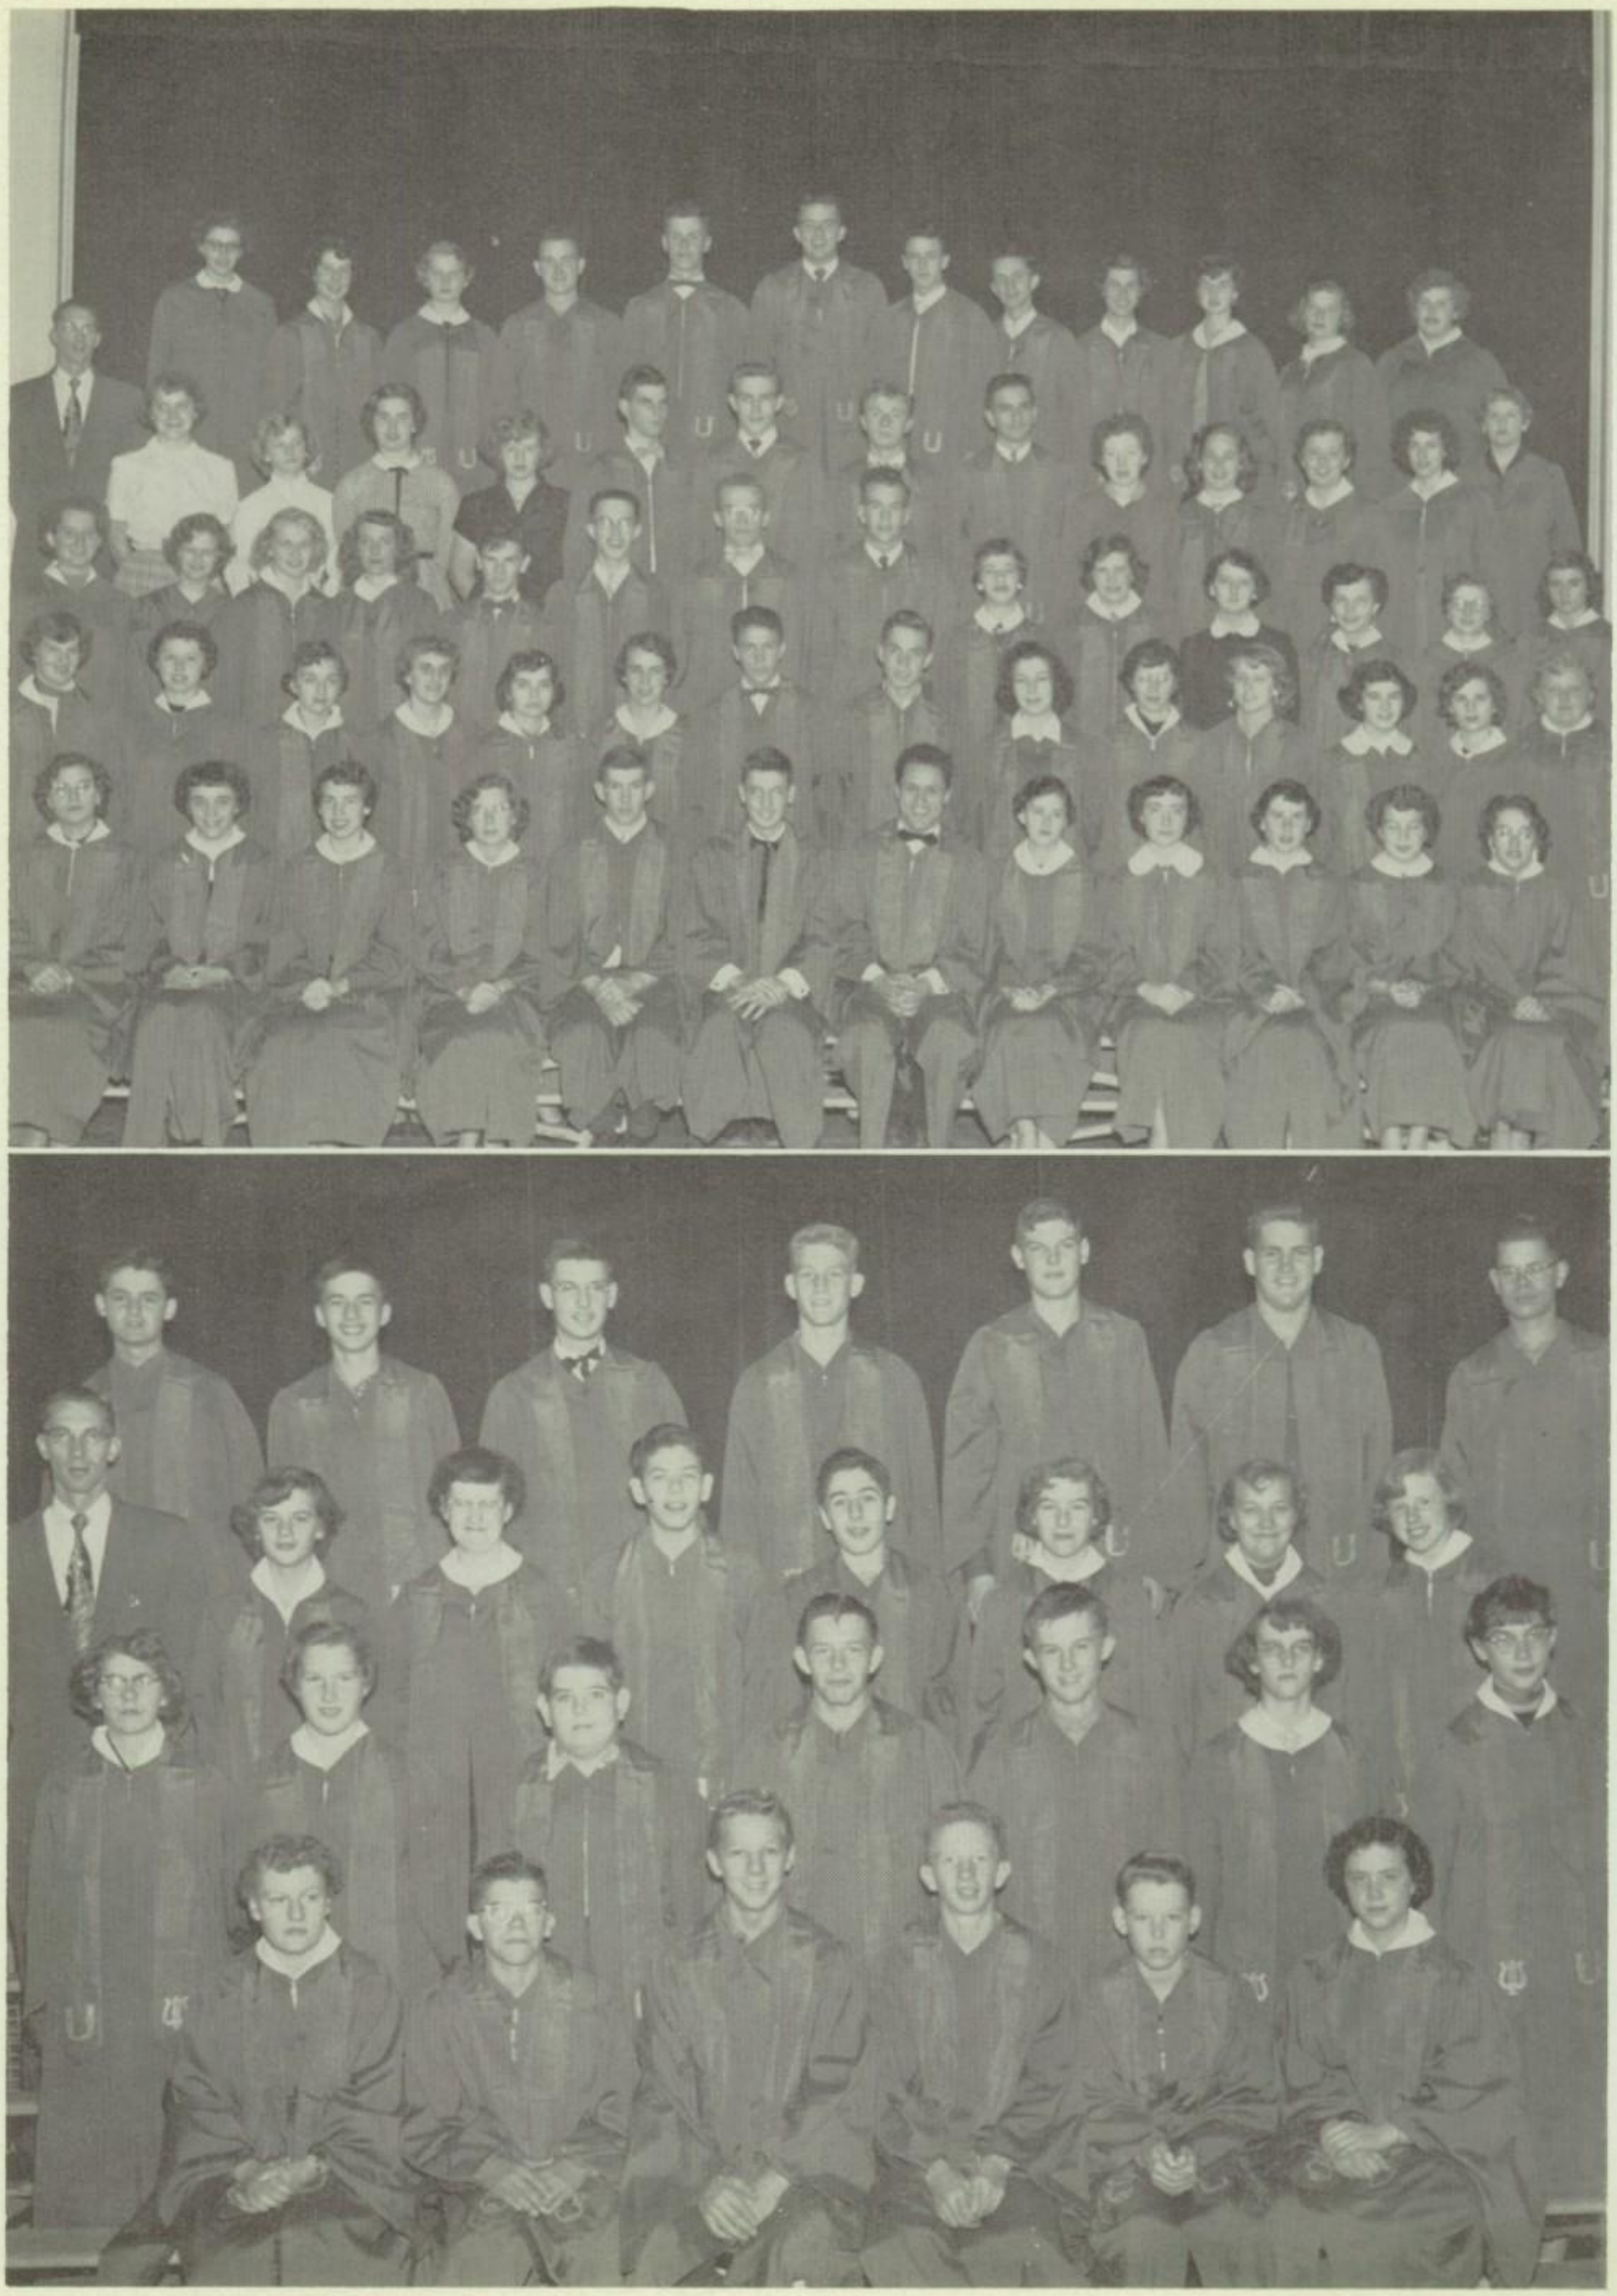
Activities



SR. CHORUS

The chorus this year is divided into junior and senior groups. In the senior chorus are the upperclassmen, who, because of their experience are able to do more difficult work. This is illustrated by the fact that they presented the "Messiah" for their Christmas program. The senior chorus meets three times a week and for this work the members receive three-fifths of a credit.

This chorus is accompanied by Linda Covey, a freshman, who is gaining experience for future work in the Senior Chorus.

BAND

Our band, under the direction of Mr. Donald Kuntz, is composed of sixty-two members this year. They started this year with a new set of maneuvers on the football field, participated in pep parades before the games and also traveled to Mercer.

Each year a number of students from our band is chosen to go to district band which was held at Academy High School in April.

A combined concert was held with Wesleyville during the concert season.

We are very proud of our band and also proud of the fine work they have done.

COLOR GUARDS

There wouldn't be a parade complete without the color guard. They carry the flag of the United States, the Commonwealth of Pennsylvania and the Union High flag.

LEFT TO RIGHT: M. Adams, G. Northrup, J. Cook, D. Gottschling, L. Daugherty.

MAJORETTES

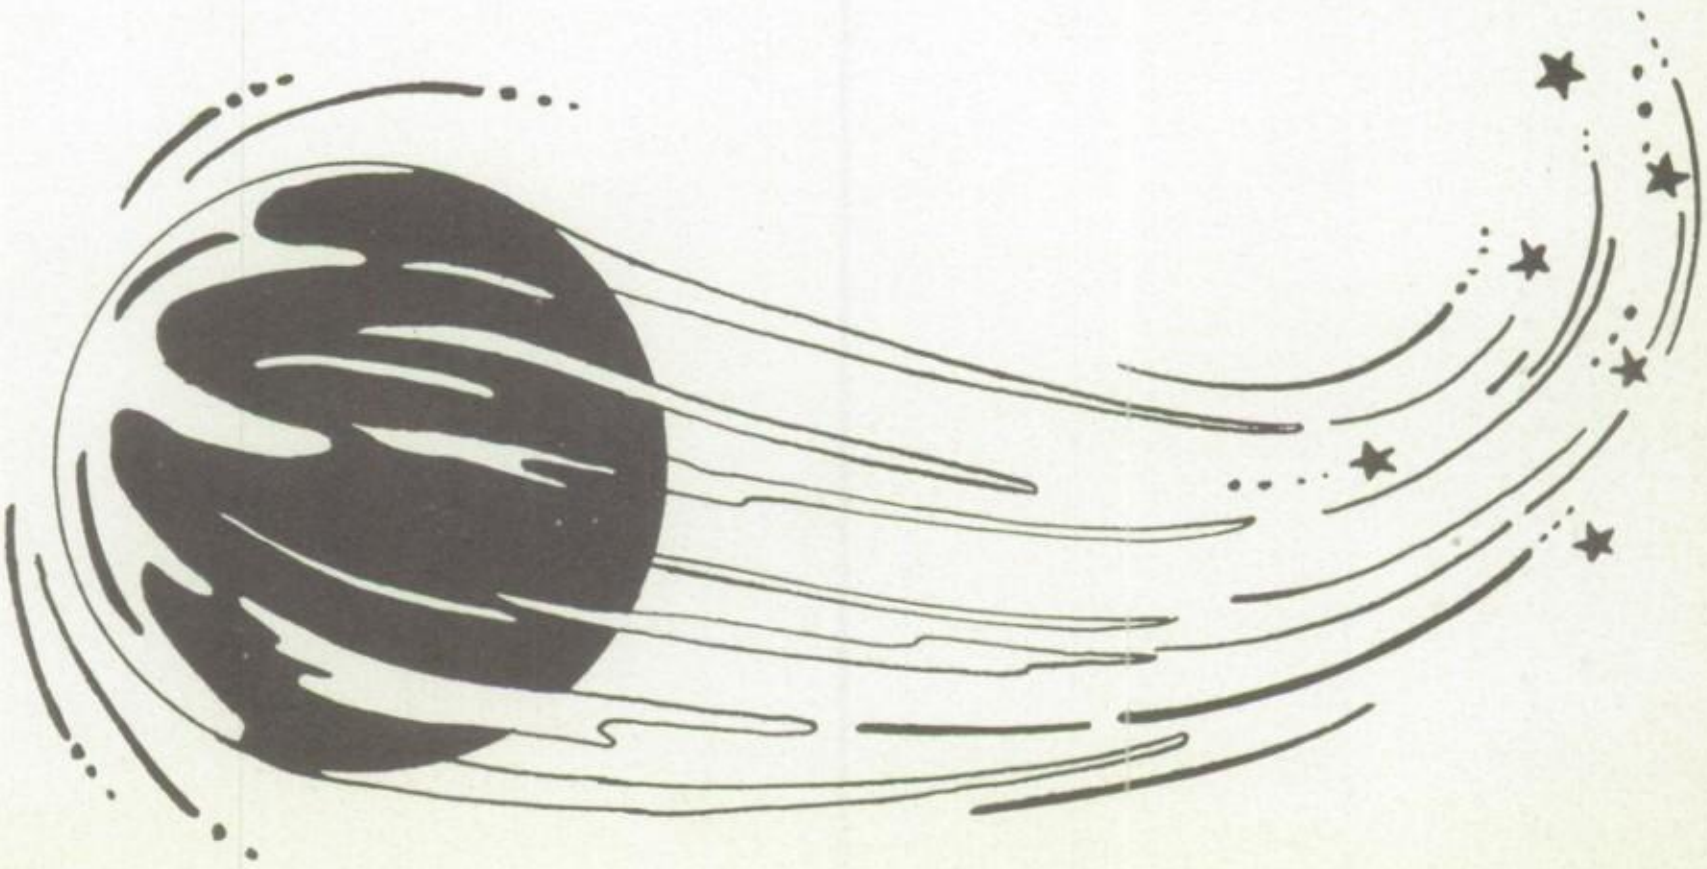
The majorettes under the leadership of Gayle Godfrey have done different varieties of activities, during the football season. You could see their high stepping legs and cheerful smiling faces at every home game. They performed during half time, and also led the parades before all games. The majorettes do have certain qualities they have to maintain in order to become a majorette. These qualifications are: Co-operation, ability to twirl, rhythm, and neatness. The majorettes also performed at home games during basketball season. They are a very well organized group of girls under the leadership of Gayle Godfrey and Mr. Kuntz. There are six graduating seniors this year, who are Gayle Godfrey, Lois Jean Houck, Nancy Andrews, Ann Breining, Nancy Wurst, and Edwinna Grove.

LEFT: Nancy Wurst, Nancy Andrews. RIGHT: Lois Jean Houck, Ann Breining. CENTER: Gayle Godfrey.

TWIRLERS

These seven girls with their leader, Pat Cook, are seen supporting the Majorettes at every game and parade. These girls will take over next year in the place of the graduating majorettes.

LEFT TO RIGHT: E. Grove, J. Hossman, T. Cornell, P. Cook, S. Klein, B. Cornell, P. Keller.



VARSITY CHEERLEADERS

Union would have an empty spot without the peppy cheerleaders. Their new gold uniforms and school spirit add much to our football and basketball games.

The Varsity squad consists of Captain Janet Heckman, Nancy Godfrey, Marilyn Cochran, Linda Steinle, Carol Heckman, and Gloria Angerer. The cheerleaders receive a letter for cheering two years and all senior members receive a jacket.

Under the leadership of Miss Grenz, the girls have put on many skits in pep assemblies and sold slushburgers.

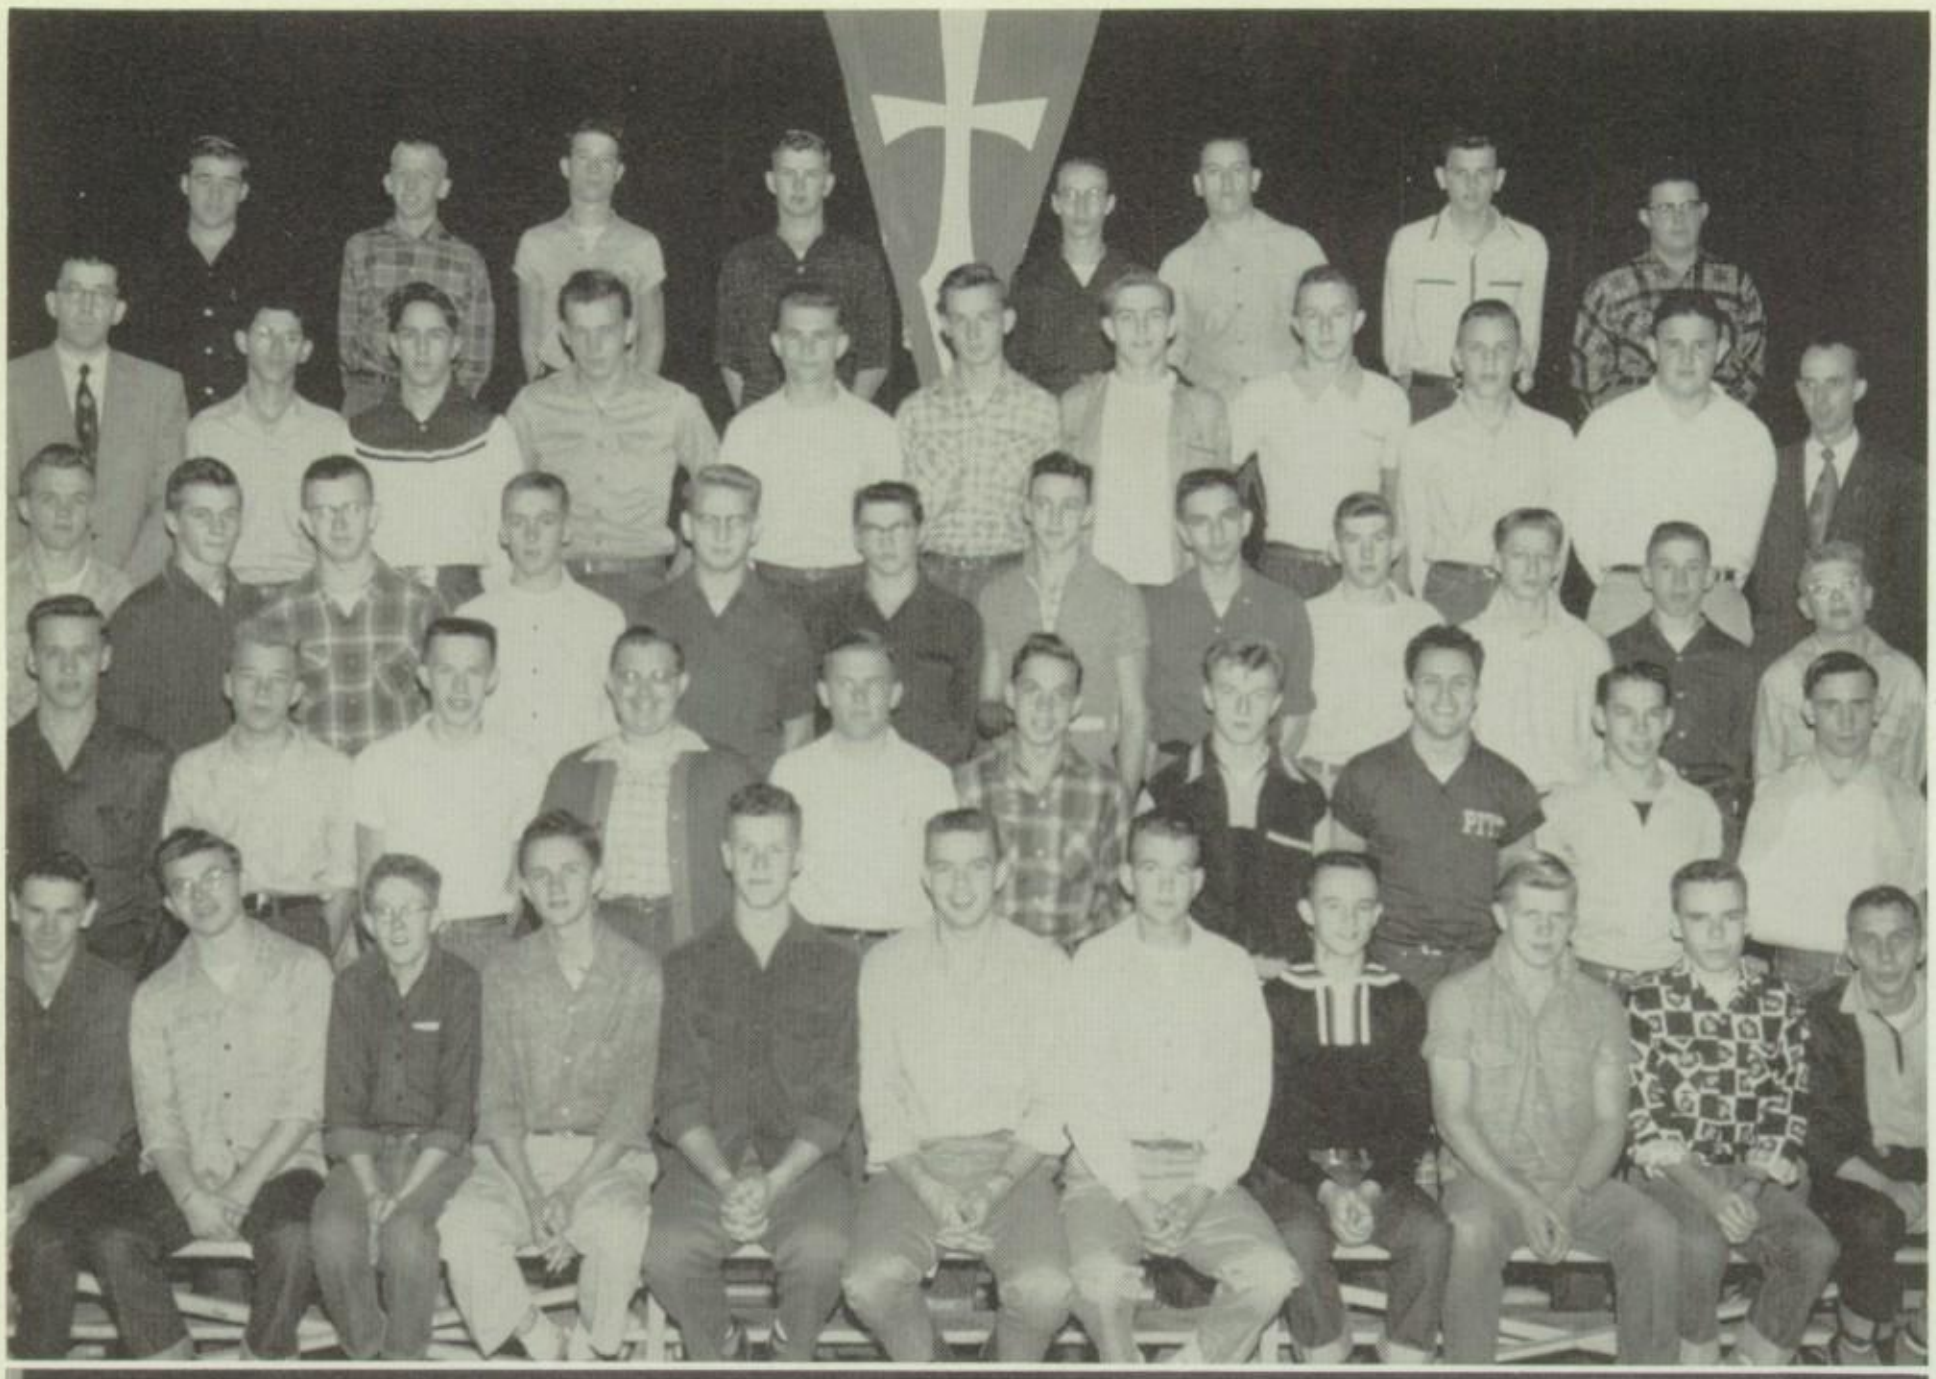
KNEELING: G. Angerer, C. Heckman, M. Cochran, J. Heckman. STANDING: L. Steinle, N. Godfrey.

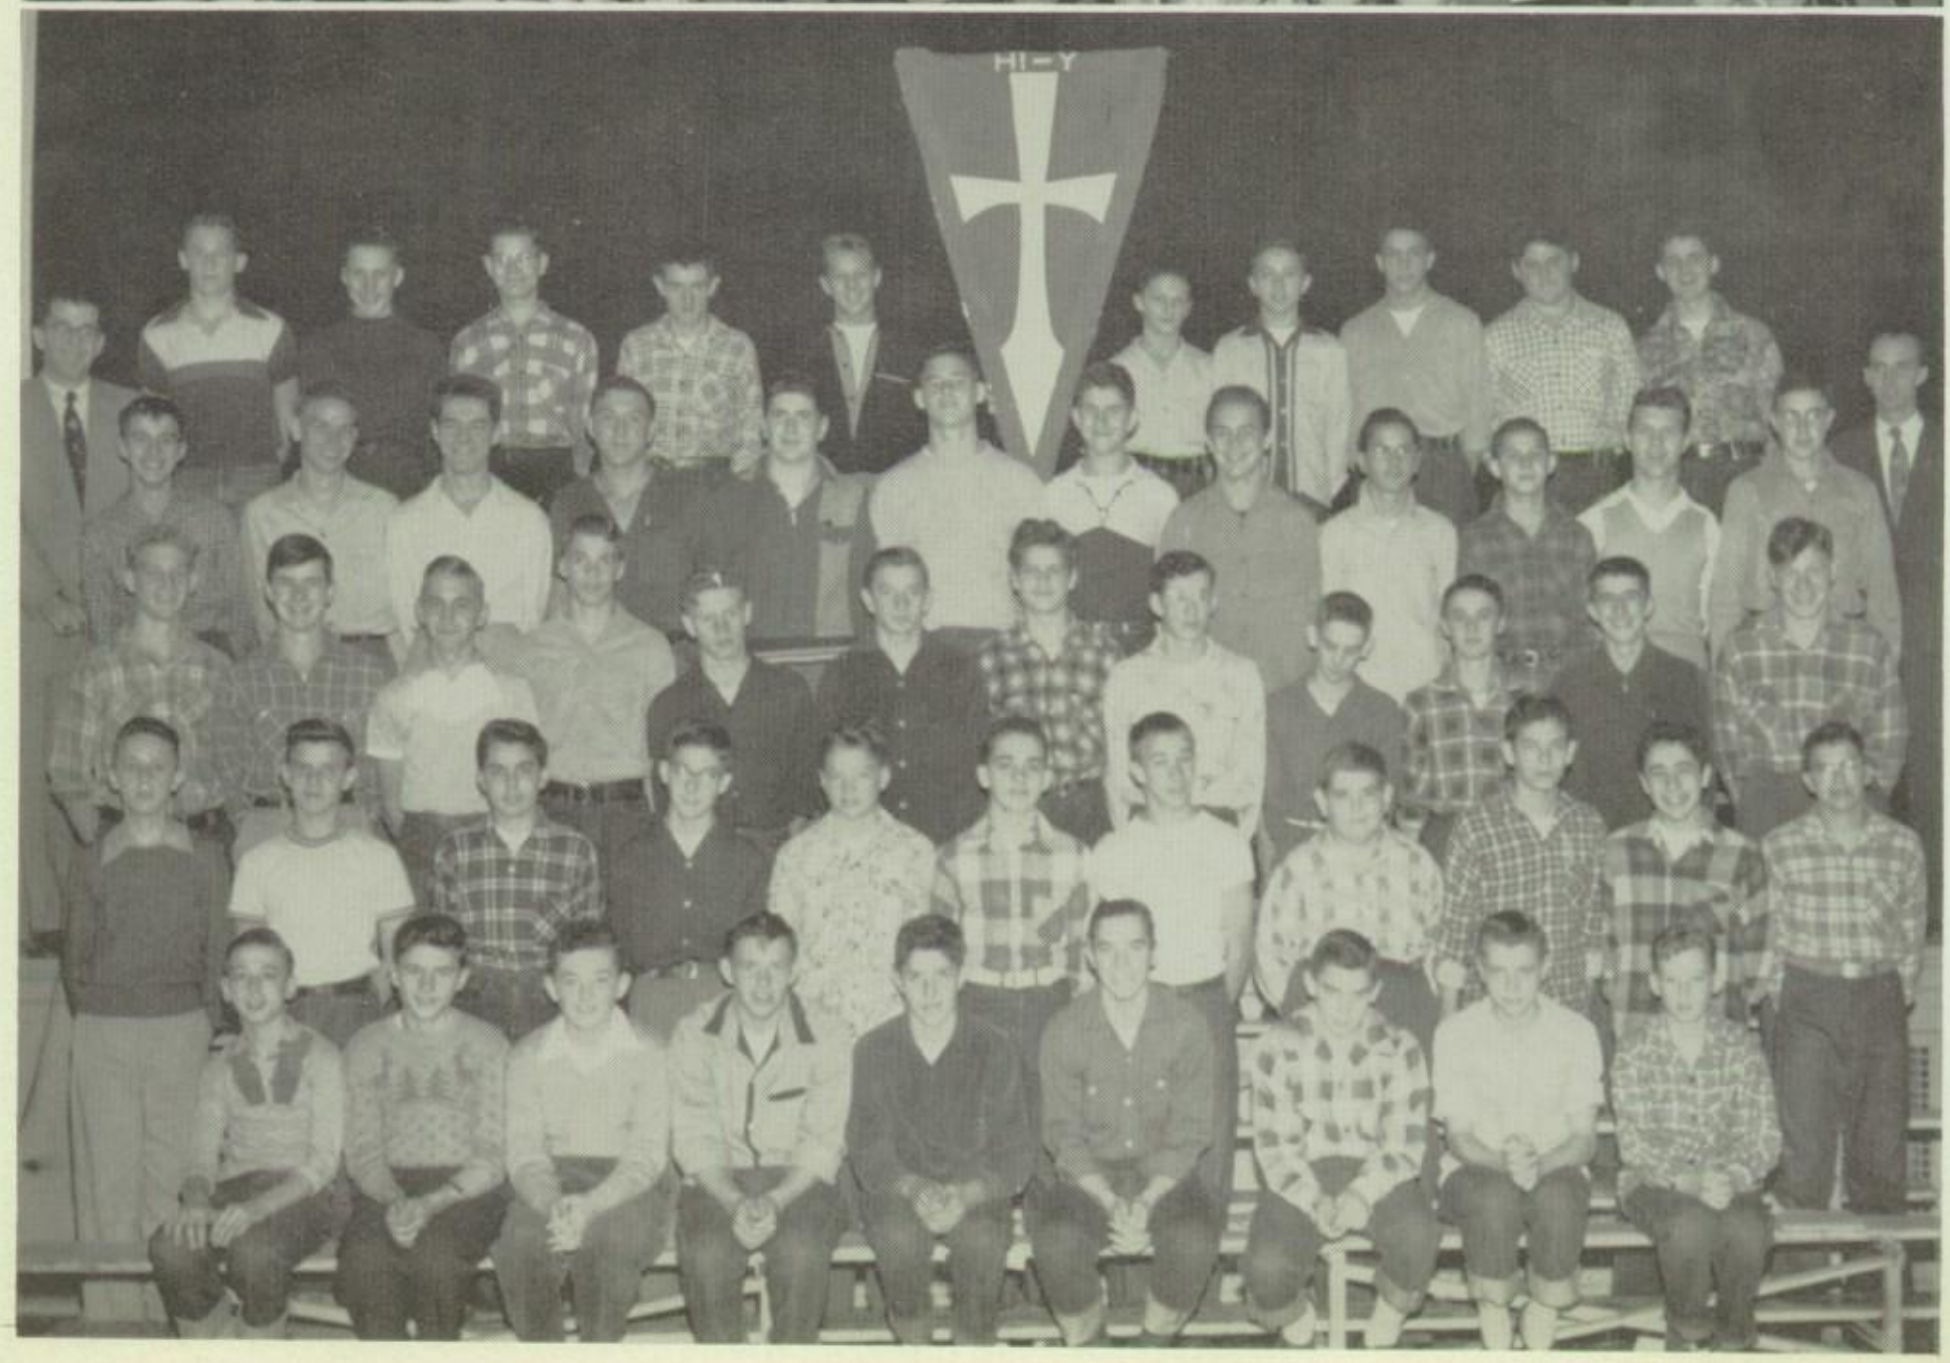
J. V. CHEERLEADERS

The Junior Varsity Squad this year has six members under the leadership of Yvonne Talso, Captain. Ruth Dunn, Frances Hrinda, Betty Knepp, Nancy Crowl, and Audrey Weyeneth are the other members of the group.

These girls also deserve much credit for always cheering the junior varsity team on to victory. They have shown a great deal of school spirit this year.

LEFT TO RIGHT: A. Weyeneth, R. Dunn, F. Hrinda, B. Knepp, N. Crowl, Y. Talso.





HI-Y

HI-Y

The Hi-Y is one of the best-known service clubs in Union High. The Hi-Y Club at Union is one of the largest Hi-Y's in Northwestern Pennsylvania. The Hi-Y is associated with the YMCA in Erie. The Hi-Y sends its officers to training camp in the summer. They send boys to the Older Boys' Conference of Hi-Y; they give donations to the World Service Organizations. At Christmas and Easter, they have special services. In the spring the Hi-Y sponsors softball for boys. The club also sells hot dogs every Thursday to earn money, and also to give students a change of menu at least once a week. They sponsored Teen-Talk Discussions during January and February. All these services are under the capable guidance of Mr. Come and Mr. Morris.

TRI-HI-Y

The purpose of the Tri-Hi-Y club is "To create, maintain, and extend throughout the home, school, and community, high standards of Christian Character". Tri-Hi-Y is a service club. Some of the services they are doing are packing baskets to send to the needy families in the area, making scrapbooks for little children, and collecting puzzles for hospitals. A Can Dance was held and the admissions of cans of food were used to pack the baskets. They are sending money to World Service. They are planning on having a banquet and also one night to be hostesses to the Hi-Y. They are planning on sending the officers to the Spring Conference and next year's officers to Summer Training Conference.

U-CLUB

The main purpose of the U-Club is to promote sportsmanship in the school and to develop leadership. In order to gain membership in the club, a student must earn a letter in athletics and be voted on by the members of the club. Those taken into the club this year are as follows: Bob Russin, Read Katzeman, Pat Dunn, Bob Bowen, Jim Dickey, Jack Hrinda, Bill Youschak, and Dan Woitovich. The U-Club was in full charge of the 1954 Homecoming celebrations. The student body chose Nancy Andrews queen, and her attendants were Sally Ball, Pat Coates, Gloria Angerer, and Carol Heckman. The highlight of the evening was the crowning of the Queen by Carl Meeder. On the night of the Harborcreek Vs. Union game, a parade was held beore the game and a dance after the game. The U-Club purchased new jackets for the graduating seniors of the club. This year were thirteen seniors who received jackets.

Y-TEENS

This is the third year that the Y Teens has been active at Union. The club is associated with the Y. W. C. A. and this gives its members the privilege to attend the activities at the Y in Erie.

The purpose of Y Teens is as follows: "To grow as a person; to grow in friendship with people of all races, religions, and nationalities; to grow in the knowledge and love of God".

During the summer Carol Heckman and Lois Orr represented our club at Silver Bay where a Y Teens convention was held.

Y Teens has been very active this year under the competent leadership of our president, Lois Orr and advisor Miss Duff.

At the beginning of the year the club inaugurated a "Big-Sister; Little-Sister" program. The purpose was for each senior girl to help a freshman girl get acquainted. They held a party for their little sisters in the gym at which the senior girls received their pins and the junior girls were initiated.

A Thanksgiving assembly was put on by the Y Teens girls. The theme was "Count Your Blessings". It was very well planned and much work was put into it by the Chairlady, Mary F. Lininger.

A Thanksgiving dance was held on the same day. Bob Connors from Erie was the Master of Ceremonies. It was carefully planned and was very successful through the hard work of the Chairlady, Pat Keller.

Christmas stockings were filled and sent to the poor, as our Christmas project.

A Mother and daughter Banquet is being planned; also a splash party at the Y.

LIBRARY CLUBS

This year our Library Club is under the sponsorship of Mr. Lawson, our new librarian. It has a membership of approximately forty girls. The Library Club is really growing this year. As members of the club we are responsible for helping Mr. Lawson repair books, and check them in and out. The officers and Mr. Lawson and Mr. Kelly went through other schools to see how their library operated, and brought back many new ideas for our library. Interest in the books of the library has increased, and students have taken very good care of their book.

They held a Valentine Dance in February, and the proceeds from this dance went towards buying books for the library.

The FHA is a national organization of girls who have taken Home Economics. In this club we learn to live better so that in future years we may promote better homes. The purpose of the FHA is to promote international good will, to work for better homes and family life for all. To promote a growing appreciation of the joy and satisfaction of homemaking is another good of this club.

The purpose of the FTA club as stated in their constitution is: To learn about the opportunities in teaching, to cultivate the qualities essential in a good teacher, to study the lives of great teachers, and to foster the development of student leadership.

During an impressive initiation ceremony twenty-three new members were added to this club. Some of the activities that are planned to help the members of the group understand about the teaching profession are:

1. To assist teachers with their work
2. Attend meetings where they are guests of the teachers
3. Visiting schools in order to observe the work being done so that they can decide whether or not to become teachers.

DEBATE CLUB

The Debate Club this year has been very actively engaged in reseach and debating on the general topic of Free Trade. With the help of Mr. Lawson, our debate coach, our teams, affirmative and negative, have been very successful. During the course of the debating season, we had debates with the following schools: McDowell, North East, Wesleyville, Harborcreek, and Academy.

In April, the main affirmative and negative teams participated in the Allegheny Debate Tournament at Allegheny College. Many schools from the northwestern portion of the state took part. Each team participated in ten rounds of debate. The experience and knowledge derived from the event was immeasurable and will not be forgotten by those who took part.

One senior member will receive the Allegheny award at commencement. The best affirmative and best negative speakers will also receive awards at commencement. At the end of the year, the entire Debate Club, along with the other clubs of the county were rewarded by a banquet followed by a debate in which all the schools were represented.

STUDENT COUNCIL

The Student Council is the organization in school that tries to help the students and faculty make decisions for the betterment of the school, the students and faculty. It sets up certain regulations for dances and noon hours. The club sold milk and operated a juice machine. The Student Council also sponsors movies during the year which are interesting to the students.

Two members of the council, John Endres, and John Dickey flew to Philadelphia for the Student Council Convention. They had the honor of being representatives farthest away. They learned many new ideas to help our Student Council. Near the end of the school year, the entire Student Council attended a district Student Council Convention which was held at Franklin this year. This was a three-day convention with representatives from the whole northwest district present. At this time, the Council heard speeches, participated in discussions, and talked with students from other schools to gain new ideas for our Student Council.

The National Hnor Society held a dance during the year. They also sold popcorn at all the home basketball games. This money was used to buy pins, and certificates for new members and also to go to Penn State.

Toward the end of the term the Honor Society will induct members of the Junior Class into the club. The Honor Society members get a special gold seal on their diplomas to show that they were members of the Honor Society.
